

 **HALLOWEEN TRICK-OR-TREATING Oct 31, 2021, 4:30 - 8:30 p.m. ET** 

Below is the list of units and information to be used as a guide from the entry of our neighborhood going towards the back (please see map provided on email).

Name	Unit #	Item	Contact/Contactless
1.	2755	Candy	in-person with social distancing
2.	2713	Candy	in-person with social distancing; big, fluffy, kid-friendly white dog in costume if kids want to come pet him!
3.	2762	Candy	non-contact
4.	2865	Candy	in-person with social distancing (ring doorbell to trick-or-treat)
5.	2867	Packaged unpoped popcorn	in-person with social distancing (ring doorbell to trick-or-treat)
6.	2869	Candy	non-contact
7.	2916	Candy	non-contact or ring doorbell for contact
8.	2946	Nut-free candy and Non-candy*	non-contact, table outside home
9.	2968	Candy	non-contact, bowl in front of door
10.	2980	Stickers*	non-contact, bowl in front of door near teal pumpkin. if you ring the doorbell, you may be greeted by a fairy from balcony!
11.	2984	Popcorn packets	non-contact, bowl in front of door
12.	3206	Candy	non-contact, bowl in front of door
13.	3000	Nut-free candy	non-contact, bottom of stairs, will wave from front porch
14.	3060	Candy	in-person with social distancing (ring doorbell to trick-or-treat)

*Teal pumpkin on doorstep means non-food treats are available, such as glow sticks or small toys. This simple act promotes inclusion for trick-or-treaters with food allergies or other conditions.

City of Ann Arbor trick-or-treat times are from 5-8pm.

Barclay Community: Please put candy out at 4:30pm if you can for the younger kids, who will benefit from being out while light is still available until the sun sets around 6:30, after which light is usually available for about an hour. Trick-or-Treating end time is 8:30pm. If you have opted to be “in contact” and want to switch to non-contact, feel free to leave the treats out near your front door. **There may be additional homes offering treats who are not on this list. A good guide is usually whether there are Halloween decorations (like pumpkins) out, and whether the lights are on (homes with treats tend to have the lights on).**

Parents: Have fun while staying safe: <https://www.healthychildren.org/English/health-issues/conditions/COVID-19/Pages/Halloween-COVID-Safety-Tips.aspx>

Please have your kids wear a mask if possible, especially if they are unvaccinated. Bring hand sanitizer and use it regularly. Stay six feet away from people who are not in your group when outdoors. Some suggestions on making masks part of the costume from the above healthychilren.org website:

Encourage your kids to use their face masks as part of their costume (think superhero or doctor!). However, be wary of painting the masks since some paints contain toxins. And keep in mind that a costume mask is not a substitute for a mask that has multiple layers of breathable fabric, or a disposable surgical-style mask, that covers the mouth and nose snugly. Also, do not wear a costume mask over a COVID face mask, because it can make breathing more difficult.

Per the Washtenaw County Health Department guidelines: Please do NOT give candy out if you are sick or in quarantine.
